

STITCHER MACHINES

DELUXE STITCHER

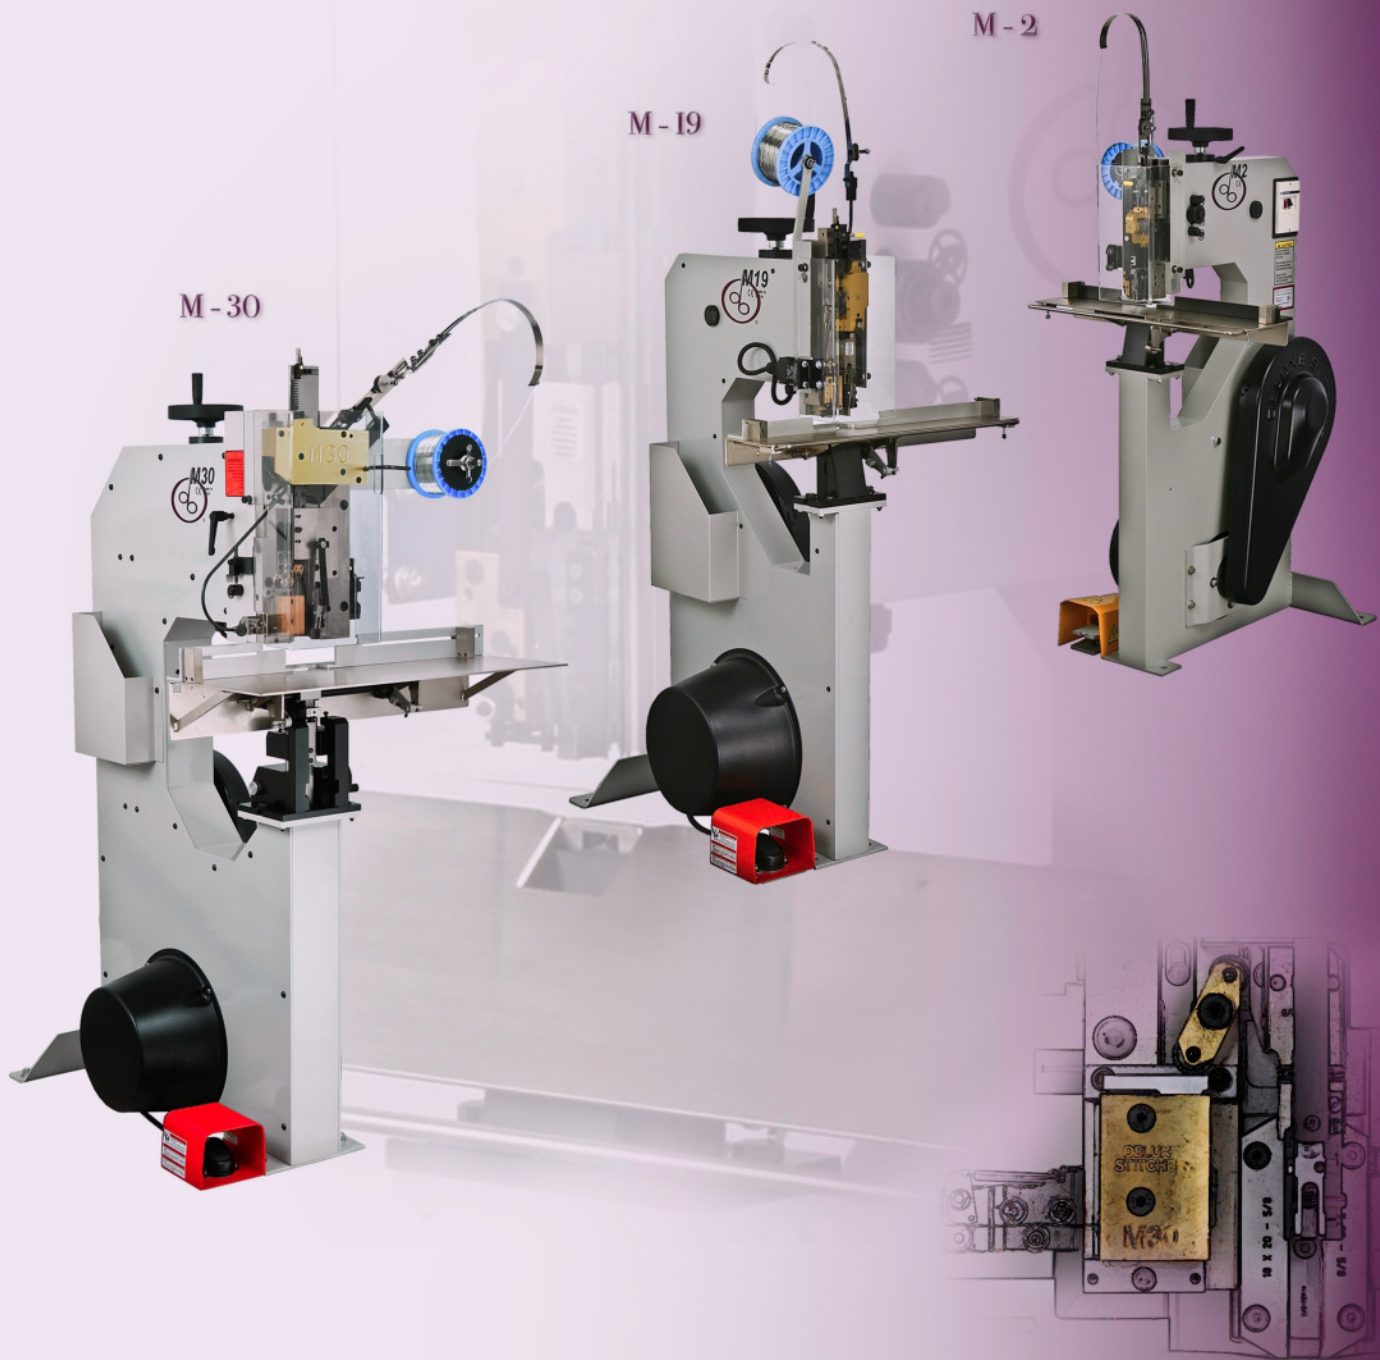

COMPANY INC.

SOLVING YOUR WIRE STITCHING NEEDS FOR 125 YEARS

SINGLE HEAD MACHINES

THE DEFINITION OF VERSATILITY

Deluxe Stitcher has a long tradition of manufacturing stand alone stitcher machines. From their first motorized stitcher back in 1905 to today's latest models, Deluxe continues to be one of the leaders in stitching versatility with capacities up to 2-1/2" (63 mm).

MULTIPLE HEAD MACHINES

MAXIMIZE YOUR PRODUCTIVITY

Deluxe's range of multi-head stitchers are there to help increase your productivity with the ability to put as many as 10 stitches in one cycle. From the pamphlet making M17 to the versatile M27 pad stitcher to the 18 AW (up to 10 heads can be mounted) you are unlikely to find a wider range of multiple head machines on the market.

LIGHT DUTY MACHINES

QUICK PRINT SOLUTIONS

Deluxe always strives to exceed our customers expectations and our light duty line of machines do just that. Compact like a stapler, but built on a stitcher platform, this product line can meet all of your short run needs.

CORRUGATED MACHINES

HEAVY INDUSTRIAL WORKHORSES

Deluxe Stitcher's line up of corrugated Bottomer's and Side Stitchers are some of the most productive and versatile machines on the market.

Single, double, and even triple wall boxes can be stitched with ease.

Deluxe Stitcher machines can dispense as many as 25,000 staples without reloading.

All this in a Heavy Duty design built to last.
